Independent Activity – 3 (A Dance Studio)

Vineet Srivastava

Same activity for everybody!

Activity	Examples from previous batch
Create a Dance party with a stage and animated dance moves by at least 3 sprites. The sprites must show different dance moves. Be creative, Be musical, enjoy! Lights, Camera, Action For beginners, use the three dance moves we covered in the class – namely (AMON flipping, AVERY Walking, and BALLERINA gliding and dancing) For intermediate users, well, be creative. Use your imagination and amaze us. You can create your own costumes, create new movements etc.	https://scratch.mit.edu/projects/396401525/ https://scratch.mit.edu/projects/389255039/ https://scratch.mit.edu/projects/389110193/ https://scratch.mit.edu/projects/389305201/ https://scratch.mit.edu/projects/389659815/ https://scratch.mit.edu/projects/389258997/ https://scratch.mit.edu/projects/403096505/ https://scratch.mit.edu/projects/402685945/

WIBYTE

Marking Criterion (Max Marks: 12)

Task	Mark Given
At least 3 different sprites doing dance	2
All the sprites do different combination of motion and costume change blocks for the dance moves	2
Music is added and plays smoothly throughout the program	2
Backdrop changes at least once during the program	2
'When backdrop changes' event used	2
BONUS: create your own sprite, somersault effect, innovative story line, aesthetic studio etc	2
PENALTY: Late Submission (Per Day)	-1

WIBYTE

Common Problems

Problem	Remedy
Music plays in the beginning but stops when the dance actually happens	Keep the music playing in a separate forever loop
Music appears broken	Play music from ONLY 1 sprite.

WIBYTE

Enjoy!

* Remember to submit your project in time!
